GCE Advanced Level and GCE Advanced Subsidiary Level

Grade thresholds taken for Syllabus 9709 (Mathematics) in the October/November 2006 examination.

	maximum mark available	minimum mark required for grade:		
		A	В	E
Component 1	75	65	58	30
Component 2	50	30	26	15
Component 3	75	64	58	31
Component 4	50	40	34	19
Component 5	50	40	36	21
Component 6	50	41	37	22
Component 7	50	36	32	17

The thresholds (minimum marks) for Grades C and D are normally set by dividing the mark range between the B and the E thresholds into three. For example, if the difference between the B and the E threshold is 24 marks, the C threshold is set 8 marks below the B threshold and the D threshold is set another 8 marks down. If dividing the interval by three results in a fraction of a mark, then the threshold is normally rounded down.

Grade Thresholds are published for all GCE A/AS and IGCSE subjects where a corresponding mark scheme is available.
